### 2010 CCBCC REGALIA ITEMS NOW IN STOCK

The Cape Cod British Car Club has completed our first regalia purchase for this new driving year. A good selection of hats, golf shirts and of course our traditional denim shirts are all now available for purchase. Both of the shirt styles are available in male and female sizes.

Generally the club's regalia is available for purchase at most monthly meetings. We try to have a good selection available for

### NEW ONLINE CALENDAR

Frequent visitors to our web-site might have noticed a change, we now have an interactive calendar on our web-site [www.CapeCodBritishCarClub.org](http://www.CapeCodBritishCarClub.org). The calendar lets you click through the months to look for upcoming events. Events are color coded to represent the type of event that is scheduled. Clicking on the arrow next to agenda in

the upper right corner will give you the color key.

Clicking on an event itself will give you further details on the event, provide you with a link to a map, a link to email a Point of Contact for the event and even allow you to add the event to your own calendar if you are a Google Calendar user. We will be adding more events and details to existing events on a regular basis

purchase at each driving event. You can always wait and visit the regalia tent at the BLW in October. You just may not have much of a selection at that late date in the year. In fact we ran out of hats at the BLW last year.

Pictures of the clothing we have for sale and contact information for ordering shipped regalia from us is available on our website. Please visit <http://>

[www.capecodbritishcarclub.org/cbcc\\_wear.htm](http://www.capecodbritishcarclub.org/cbcc_wear.htm) to order yourself some CCBC regalia.

In addition to clothing, the club has grille badges and sun catchers available for sale. These works of art can also be purchased at most monthly meetings. For help with regalia purchases or to inquire about special orders please contact the club's treasurer Mike Daley. You can email Mike at [mdaley3333@comcast.net](mailto:mdaley3333@comcast.net).

### CELEBRATE THE MAGIC OF TEN THIS YEAR WITH THE CAPE COD BRITISH CAR CLUB

*by Mike Daley*

Celebrate the Magic of Ten This Year With The Cape Cod British Car Club

The tenth day of the tenth month of the tenth year of this new Millenium is when the Cape Cod British Car Club will host our tenth annual British Legends Weekend (BLW) Car Show.

We have returned to the original BLW's dates for this 10th

anniversary year. For the first time in several years the BLW will take place on the Columbus Day holiday weekend in October. We have also returned to the original BLW site on Falmouth Harbor. So mark your calendars now. You will want to be at Marina Park in Falmouth this October.

One other special feature of the 2010 BLW you will notice this nostalgic year is the admission price. We have lowered the price back to \$20 for early registrations and \$25 at the gate on the day of the show.

The traditional BLW weekend format will continue this year. Our tenth BLW includes a lively Friday night meet and greet at our host hotel in Falmouth. On Saturday we will offer a guided back roads tour around scenic Cape Cod. First, we will travel from Falmouth east out the cape during the morning. After a leisurely lunch we will travel a similarly scenic westerly route along the peninsula as we make our way back to our host hotel. After dinner on your own, we will gather at the hotel to enjoy a final meet and greet.

Sunday promises to be a great show day. The Marina Park site on Falmouth Harbor is the setting for this year's October 10th Annual BLW Car Show. The festivities officially begin at 10:00 AM. There will be upwards of 25 classes with as many as three awards in each class. The valve-cover racers' will all have a chance to show their custom designed vehicles on the club's traditional race track.

Now, we all know that this event has some weather issues. We have made a great deal of changes.

We know things happen for a good reason. We have had to work with what we were offered this year and it has not been easy. So now, the conventional wisdom is that as a result, this year is the year for extreme sun and high temperatures. We call it Indian Sumer on Cape Cod. Put this weekend on your calendar and enjoy a terrific fall weekend.

**BUSINESS CLASSIFIEDS**

For the club newsletter that we maintain on line and, occasionally, have available at meetings, we will be including a listing of members who have businesses or professions to serve the British automobile owner. Listings will be kept simple and will be in order of the member's club number. If you have a business that relates to British automobiles, please send an email to [cbobm@mac.com](mailto:cbobm@mac.com).
