"Boot" - from the Queen "B"

So football season is over and what a way to end it. Our beloved Patriots losing to the Eagles at Super Bowl 52 in what I thought was a very exciting game. It just goes to show that we all can have a bad day or in the Eagles case... a very good day!! Congrats to all the Eagles fans out there! and to all my fellow Patriots fans....we've had a great run and there's always next year!

Just think of this.....football season is over which means baseball season is just a few weeks away which means SPRINGTIME and what does springtime mean????.....it means it's time to take our LBC's out of hibernation and that means it's DRIVING SEASON!!!!!! So much to look forward to!

So now I'm going to sound like a broken record. There are only a few events on our calendar for the 2018 season and we need more. That means I need some Help! Help! Help! from you. Please get involved! Email me with your thoughts and ideas! Let's put mileage on our cars together and have some fun!!!

One more thing... we had tried something new a few months back. The new something, as you know, was our website. Our webmaster Zelda and a few of our members spent many hours on the new website to make it a good experience for those using it. Unfortunately it didn't work out as well as we had hoped. Not from lack of trying.

So I am pleased to announce that the "old" website is back up and running!!!
Thanks to all the hard work of those involved!!!

Talk to ya next month!!
Your Queen B

Club member notice -

We were notified this week that Dennis Sokol is currently in Brandley House hospice center in Summerfield, Florida. After weeks of prodding, pricking, and scans, the doctors agree that Dennis's pain is caused by cancer that is actively growing. He is trying hospice so they can regulate meds and control the pain. Dennis and Karen are hoping to transfer to a hospice in Stoneham so they can be back home in New England. Our hearts and thoughts go out to both Dennis and Karen, who I am sure would like to hear from their many friends and fellow club members.

Brandley House

British by the Sea 2018 -

Some LBC club members belong to two or more LBC clubs. Such is the case of Betty and Wink Brainerd who are CCBC members from Connecticut. Wink and Betty enjoy many of our activities and we are glad that they do. Their club in Connecticut, the CT MG Club, will host the British by the Sea event in Harkness Memorial State Park on June 3, 2018. Just like we want to promote our BLW event, they want to promote their British by the Sea event. They want us to think about it early as they can have well over 300 LBC's, trucks & motorcycles. The fun starts at 10:00 AM and lasts until 4:00 PM. Food trucks and vendors will be on site. Registration is \$15 before the May 25th deadline and \$20 after. That means that if you are planning to stay overnight, better make your reservations early as hotels can book up quickly.

Here is an event opportunity for one of our CCBC members to organize. Lead a tour to the British by the Sea event. I am sure that we have members that will want to attend. Wouldn't it be nice to drive down as a group, enjoy the day and return to our Massachusetts location as a day trip. Much more fun to go as a group. So step up and get involved, it is your club.

Steve & Annie Wincze - MGTD52@comcast.net - or -
www.CTMGClub.com - can provide additional information. If
you want to e-mail me, Bill Scott, a65jaguar@msn.com , I can
e-mail you a registration form and some additional
information.

Let's go to the Sea in June!!!
