## "Boot" - from the Queen "B"

Yay!!! Its May and the cold snowy weather is behind us and I should say that it's about time. The warm weather, the flowers in bloom and the longer days sure give us plenty of reason to get out and enjoy our LBCs. Maybe it's not quite top down temperatures yet but every day is a bit closer to it! Let's all get out there and get the driving season started!!!

Have you checked out the CCBCC website yet? Make sure you do and check it often because as the weather gets warmer, the more excited we get about driving and having fun, and that brings on more ideas for new events like ice cream runs, breakfast runs, winery and brewery tours, tech sessions.....the list is endless!!! So far this year we have had a January social gathering, the March Motor Madness gathering, a welding tech session, and the Annual Safety Fast event will be April 28th. The Brewster in Bloom parade and Social Brunch will kick off the month of May, Sunday May 6th.

And its only May!!!!!! These events are a blast! We have a great club, so please join us. And again, if you have an idea or want to get involved email me.

Happy Spring!!

Your Queen,  
Berta

## Annual Meeting - by Editor Bill Scott

Our Annual Meeting will be May 19th. Work has been under way by a few members to make this meeting happen. Plans to attend this meeting should be your intent. It is your club and you should be involved.

Sure, there is a small group of "regulars" who attend the monthly meetings at the BBC. Join in, and make this club what you would like it to be.

So please attend and consider placing your name on the ballot for an Officer or as a BoG member. As Berta has said, Email her, queenb\_cbcc@outlook.com or me, your editor, a65jaguar@msn.com, and we will have our Nominating Committee Chairman, Nancy Ridley, put you on the ballot for election at the May Annual Meeting.

Don't be bashful, we need YOU!!!

## Brewster in Bloom - Sunday May 6th - by Bill Scott

Hey! It's Spring time again and time for Brewster in Bloom.

A group tour will start from the BBC in Sandwich at 9:30 and tour the bay side of the Cape on historic and beautiful 6A to Bill and Mary Scott's home in Brewster. Once there, you can relax and enjoy a breakfast/brunch out on the sunny deck, sip a Mimosa and enjoy the morning before we head out on a short drive to stage the cars for the parade. Staging begins at 12:00 and the parade starts at 1:00.

Traditionally we continue on to Luke's parking lot just beyond the end of the parade route, remove the flags and club decals and head to a late lunch at The Marshside in Dennis at around 2:15/2:30 PM.

Hopefully you have decided to attend this event and that you have registered attendance on the club homepage. It doesn't cost anything, but we need to know how many cars and people are attending, both for the parade and the restaurant. If you haven't registered, do it **now** or contact me (Bill Scott) by phone or e-mail so we have a complete number.

Additional information about this event is on the web page, or please call; Bill Scott - cell: 248 892 2525 home: 508 896 9313 or e-mail; a65jaguar@msn.com
