### "Boot" - by President, Mike Dallaire

Forestdale MA - By the time your reading this issue of the Newsletter, our British Legends Weekend will be in just a little less than a month away. By the time we report on it in the British Marque in November, it will be in the history books! We hope you will attend and that you have a great experience, as we are attempting to bring our show up a notch or two. If you are planning to attend, or have decided not to attend, we want to hear your comments. You can e-mail your comments to [mdallaire1@comcast.net](mailto:mdallaire1@comcast.net).

The next big event on our calendar is the annual Martha's Vineyard Weekend trip on November 5th and 6th. If you have never been on this weekend, it is fantastic. The island at this time of year is beautiful and not overly crowded! The Harbor View Hotel overlooks the water and our host Robin Kirk makes sure we are treated like royalty! This tour of the island is a great finish to the LBC driving season. Try not to miss it. Check the club's website for more details and instructions on how to sign up.

I am pleased to announce that our membership continues to grow. And to those new members, we want them to know that this is a very active club, not only socially but in support as well. If you need assistance on a project you've started on your LBC, let us know and we will schedule a tech session at your location. A number of members with a variety of skills and expertise will swoop down and help get your car right. The cost for this services usually entails some hotdogs, burgers and a beer or two. We even have members who have a horde of spare parts hidden away and auto-lifts that can be used for the under chassis work. Don't be afraid to ask, the club is here to help all members.

Well that's all for now, keep 'em oiled and drive them often and safely.

## Martha's Vineyard Weekend - coming up! Nov 5<sup>th</sup> & 6<sup>th</sup> by Bill Scott

Just a short time away from the Martha's Vineyard Weekend and soon enough to be making plans to attend. You won't want to miss this beautiful fall outing on the island.

Some of you will be going early to extend the fun and others will be going on Saturday AM. The Saturday group can meet up at Betsey's for breakfast on Main Street in Falmouth around 7:30 AM. We will leave for the ferry at 8:30 taking the scenic shore route to Woods Hole to board the 9:30 ferry.

After a day of driving, lunch in Oak Bluff, shopping and enjoying the island, we will meet at the hotel bar and veranda. There will be a club group dinner in a special dining room in the hotel with selections prepared from the chef at Henry's, the hotel's dining room. There is always the afterglow out on the veranda or in hotel bar.

Sunday morning will offer two trips to choose from before heading back to Vineyard Haven to catch the Woods Hole ferry.

I am looking forward to seeing you there. Please contact me if you have any questions about the weekend. Details about making reservation will be in an upcoming e-mail to all members and on our homepage under EVENTS.
